

# Room Examples at Camp Atta Girl! - Reignite Texas

*Examples of just some of the rooms.*

Most rooms have 2 twin beds. Some rooms have bunk beds.

Private rooms have 2 twin beds and shared bathroom. Semi-private rooms are 2 rooms with 2 twin beds each with shared bathroom in between. Cabin rooms have bunks with shared bathroom.

Heat and air-conditioning are provided by individually controlled units in each room.

All rooms are assigned on first-come, first-served basis along with making sure we create the best retreat experience.

Note: when bunks are assigned, we will not be assigning the tops, so each woman will have a bottom bunk.

These are for illustrative purposes only and subject to change.
