Most rooms have 2 twin beds and 1 bunk bed.

Some rooms have a queen and a twin, or a full and a twin.

Some rooms just have bunk beds.

Some rooms have private baths, some have shared baths.

All rooms are assigned on first-come, first-served basis along with making sure we create the best retreat experience.

Note: when bunks are assigned, we will not be assigning the tops, so each woman will have a bottom bunk.

These are for illustrative purposes only and subject to change.
